NARRATIVE:

David Aguilera is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include multiple convictions of domestic violence with injury, possession of dangerous weapons, possession of a firearm by felon, multiple cases of firearm access violations, battery, vehicle theft, vandalism, false identification to a peace officer, possession of marijuana, contempt of court, resisting arrest, possession of controlled substances and possession of drug paraphernalia. He has served multiple state prison terms, the longest being a 24 month term for a firearm access violation. Aguilera was released from state prison to the supervision of the Los Angeles County Probation Department on November 15, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2016 after he absconded from post release community supervision (PRCS). Aguilera qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a firearm access violation is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
